**D. A. UPHAM'S  
VEGETABLE  
ELECTUARY.**  
**A CERTAIN CURE FOR PILES.**

Remedy, designed to be the most effectual alternative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater astringent power to afford specific antidote for the disease Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-men. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

**SORBOLY AND SCROPHYLIC COMPLAINTS, ERUPTIONS AND  
INFECTIVE DISEASES, ULCERS, PIMPLES, BLOTTONS, TUMORS,  
SCALD HEAD, STYPHILIS AND STYPHILIC APPEN-  
DIXITIS, MALARIAL DISEASE, DROPPY, NEURALGIA OR  
THE BOTLOCHEUSE, DENTITY, DYSPNEA AND INDIGESTION,**

**BUTTERFLIES, ROSE OR ST. ANTHONY'S FIRE, AND indeed the whole class of complaints arising from IMPURITY OF THE SKIN.**

This compound will be found a great promoter of health, when taken in the Spring, to expel the foul humors which enter in the blood at this season of the year. By the timely application of these many ranking disorders are nipp'd in the bud. Meritides can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions. If not assisted to do this through the natural channels of the body by an astringent medicine. Cleanse on the vitiated blood whenever you find its impurities bursting through the skin in pimplies, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people feel better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this palette of disordered, there can be no lasting health. Sooner or later, however, comes the worm, and the great machinist of His creation is overthrown.

During late years the public have been misled by large bodies pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been based upon the idea that they only contain little, if any Sarsaparilla, but often a great quantity of other ingredients. Many of these bodies are disappointed, as it follows the use of the various extracts of Sarsaparilla which flood the market, until the same itself is poorly prepared, and has become synonymous with impotence and disease. So we can't say that Dr. Sarsaparilla, and Co., have any right to call themselves Sarsaparilla, and Co., for the loss of obloquy which rests upon us. And we think we have ground for believing it has virtues which are unimpaired by the ordinary run of the disease it is intended to cure. In order to secure their complete eradication from the system, the reader is to judiciously take according to directions on the bottle.
